Being a soccer referee can be rewarding, fulfilling, and a great chance to earn money in a sport you already enjoy. Whether you are a young person learning responsibility or an adult contributing to the sport, referee training and development is a primary mission of the Eastern PA Soccer Referee Committee. (EPSARC) To this end, EPSARC has established a process to ensure every individual wishing to pursue this avocation is afforded the opportunity to become a successful registered, certified soccer referee with the United States Soccer Federation.

Class Hosts: Central Penn Youth Soccer League & Keystone FC
