

HOW TO UPDATE YOUR REFEREE AVAILABILITY

To CPYSL Referees,

In order for the Referee Assignor to assign you league games, you must first provide your availability to CPYSL. The CPYSL provides the web pages to make it easy to send your availability to CPYSL, and it will be used by the Referee Assignor to assign games based on your preferences.

The Referee Assignor is employed by CPYSL, who does their best to be fair and balanced in assigning games closest to your preferences, matching your ability with level of the game, and considers your travel distance to the venue. However when situations arise with the limited availability of referees, and game level of competition, you may be assigned games outside your preferences.

Please download and read the CPYSL Referee Guidelines posted in the CPYSL website, or click the "Guideline link" in the page when you provide your availability. The CPYSL Referee Guideline are frequently updated, it contains important information to assist you in officiating games.

If you have any questions, suggestions please forward them to the CPYSL office.

Good Luck with your games. Your efforts on the fields are vital to the success of the new season and our league.

Thank you again in advance for your cooperation.

James Conners

President, CPYSL

C. UPDATE MY AVAILABILITY SECTION

After you successfully login to your profile page, the following “TO DO LIST” page is displayed. The “TO DO LIST” page contains all your action items reminding you of the task that you must perform. The following are the list of action items that will be displayed in your to-do list:

1. **Update Schedule availability** – always on the list
2. **Submit game report that are due** – after you officiated a game
3. **Confirm assignment** – you get this request after you are assigned a game.

The status will contain an “**Unhappy Face**” or a “**Happy Face**”. The image will change to a happy face when you are done with your action or disappears from your to-do list. The required action contains the link that will take you to the page to perform your action.

The “Update Schedule Availability” task item will always appear in your to-do list. You can update your availability anytime. However if you are assigned a game, updating your availability indicating that you are not available for the game date will not remove you from your assigned game. You **MUST WITHDRAW** your assigned game to remove you from that game, and the Referee Assignor can take action to replace your spot.

Click the “Update Availability” link to send you to your availability page. You can always come back to this page by clicking the “To Do List” link on any referee pages as shown below.
