Registrar (Wendy Campbell)

- Cpysl calendar provides league dates for the entire year, please refer to it before emailing the office.
- Final Fall Team Counts are due on July 8th, changes will be accepted up to the competition meeting.
- Competition committee meeting will be held on Wednesday, July 15th at 7pm.
- U13/14 teams will played on SUNDAYS in the fall.
- Clubs should have received their SPRING refund checks.
- Please make sure all the club information is up to date on the website (mailing address, current board members, and all contact information for the teams).
- No player fees or player change fees were charged by EPYSA for the spring.
- GotSport is the new registration system for the fall season.
- Player's first name, last name, and date of birth must match the proof of birth. Please double check what is entered and uploaded for the players. If your club registrar is verifying before sending them to the league for approval, please make sure all the information is correct. It will hold up approvals if it is not.
- Please hand write club pass players on the game day roster and score card. GotSport does allow them to be added through their system but the office staff would have to approve and unapproved each time and this will not work each week.
